one thousand eight hundred and eighty.

JOS. B. CARR, *Secretary of State.*

OFFICERS
AND
BOARD OF DIRECTORS.

EDWARD E. BARNEY, OHIO.
JOHN I. HOLLY, NEW YORK.
WM. S. TAYLOR, NEW JERSEY.

ACT OF INCORPORATION.

CHAP. 136.

AN ACT to incorporate the American Jersey Cattle Club for improving the breeding of Jersey cattle in the United States.

Passed April 19, 1880.

The People of the State of New York, represented in Senate and Assembly, do enact as follows :

§ 1. Richard M. Hoe, Thomas H. Faile, William B. Dinsmore, Erastus Corning, John D. Wing, Samuel Sharpless, John Carter Brown, William S. Taylor, Joseph H. Rieman, John Hoey, Edwin Thorne, Herbert M. Howe, and all persons who shall associate with them and their successors, are hereby created a body corporate by the name of "The American Jersey Cattle Club" for improving the breeding of Jersey Cattle in the United States, with power for such purpose to take by purchase, devise, or otherwise, and to hold, mortgage, transfer, and convey real and personal estate to the amount of not exceeding fifty thousand dollars.

§ 2. All the powers of such corporation shall be exercised by such members, officers, and committees, and according to such rules and regulations as the constitution and by-laws of the Club, not inconsistent with the constitution and laws of this State and of the United States, shall from time to time direct and ordain.

§ 3. All vacancies in any of the offices of the said corporation which may happen from time to time shall be filled in such manner as may be directed by the vote of the Club, and all officers shall hold over until their successors shall be duly elected or appointed.

§ 4. The said corporation shall possess all the powers and be subject to the provisions prescribed by title three of chapter eighteen of part one of the Revised Statutes, so far as the same are applicable.

§ 5. This act shall take effect immediately.

STATE OF NEW YORK, }
Office of the Secretary of State. } ss. :

I have compared the preceding with the original law on file in this office, and do hereby certify that the same is a correct transcript therefrom, and of the whole of said original law.

Given under my hand and the seal of office of the Secretary of
[L. S.] State, at the city of Albany, this 29th day of April, in the year
one thousand eight hundred and eighty.

JOS. B. CARR, *Secretary of State.*

CONSTITUTION.

This Incorporated Club shall be styled "THE AMERICAN JERSEY CATTLE CLUB." ART. I.

The Board of Directors shall consist of a President and four other Directors (all being members of the Club), who shall manage the affairs of the Club, subject to the provisions of the Constitution and the By-Laws. ART. II. Directors.

The President shall be elected annually, and at the first election under this Constitution the four other Directors elected shall be divided by lot into two classes—two to serve one year and two for two years—and at each subsequent election two Directors shall be chosen to serve for two years.

A Secretary, and another person as Treasurer, shall also be elected annually by the Club, neither of whom shall be a member of the Board of Directors. Secretary, Treasurer.

The Directors and officers shall be chosen by ballot at the annual meeting, and shall hold office until their successors shall have been duly elected. The Board of Directors may fill all vacancies that may occur in their own number or in the office of Secretary or Treasurer, but such appointee shall hold office only until the next annual election, when the vacancy shall be filled.

The annual meeting of the Club shall be held on the third Wednesday in April of each year, at such place as the preceding annual meeting shall designate (of which notices shall be sent to members at least one month previously), for the discussion and decision of questions of general interest to the Club; and for the election of Directors and officers. ART. III. Annual Meetings.

The Board of Directors may call, and the President, at the written request of ten members, shall call, special meetings of the Club, subject to the following restrictions: 1. Such meetings shall be held in the city of New York. 2. Notices thereof shall be mailed to all members at least twenty-five (25) days before said meeting. 3. No business not set forth in the notices shall be acted upon at such meetings. Special Meetings.

Members may vote in person or by proxy. Proxies must have been executed within three months of the time of their use, but no officer shall directly or indirectly solicit any proxy, nor vote thereon. Proxies.

Quorum.

One-fourth of the whole number of members of the Club (in person or by proxy) shall be necessary to form a quorum at any meeting of the Club to transact any business other than the election of Directors and officers. For the purpose of an election a quorum shall consist of one-eighth of the whole number of members—in person or by proxy.

ART. IV.**President.**

It shall be the duty of the President to maintain a general oversight of the affairs of the Club; to report to the annual meeting, and to make such suggestions to the Club as he may deem advisable.

Treasurer.

It shall be the duty of the Treasurer to keep the books of accounts of the Club; to have the custody of all moneys and other property of the Club; to invest the Club's funds as the Board of Directors may order; to make payments on the order of the Auditing Committee; and to report in detail to the annual meeting as to his receipts and disbursements, with a statement of the financial condition of the Club on the 31st of March next preceding. He shall deposit the moneys of the Club to his credit as Treasurer in such National Bank or Trust Company as shall be determined by the Board of Directors, and he shall give bond, with one or more sureties, in the sum of \$5,000, for the faithful performance of his duties. Said bond to be approved by the Board of Directors, and such sureties not being Directors or officers of the Club.

Secretary.

It shall be the duty of the Secretary to keep exact minutes of the meetings of the Club and of the Board of Directors; and he shall keep on file every Resolution submitted in writing, unless withdrawn by the member offering it; to keep the common seal of the Club; to receive and verify entries intended for insertion in the Herd Register, subject to the Rules or By-Laws. He shall edit and prepare the Herd Register for publication, under the immediate control and approval of the Board of Directors, and he shall revise the proofs and superintend the manufacture and publication thereof. He shall keep on file all documents constituting the authority for pedigrees, and hold them subject to the inspection of any member of the Club. He shall keep records of the transfers of animals. He shall issue all notices of meetings, prepare and send out ballots on nomination of new members, and generally execute all orders of the Board of Directors concerning matters pertaining to his office.

Salary.

The Treasurer and Secretary shall each receive for his services such compensation as shall be fixed by the Club at the annual meeting.

Auditing Committee.

An Auditing Committee, composed of two members of the Board, shall be appointed by the President immediately after the annual meeting, who shall approve all bills and claims before they are paid by the Treasurer. They shall

audit and verify the account of the Treasurer before it is submitted at the annual meeting.

A Publication Committee of two members of the Board shall likewise be appointed by the President, who shall make or approve all contracts for printing and binding the Herd Register, and for all such other printing as may be required by the Club.

Publication
Committee.

The charge for entry in Herd Register of animals owned by members of the Club, or partnerships where one member of the firm is a member of the Club, shall be one dollar each ; for all others, three dollars each ; for dead ancestors one dollar each, which charges shall not be exceeded.

ART. V.
Fees.

For recording each transfer the fee shall be twenty-five cents.

The Secretary shall pay over to the Treasurer at the end of each month all Club funds (if any) received by him.

Each applicant for membership shall be recommended by one or more members of the Club as a careful and reliable breeder, and it shall be the duty of the Secretary to send the name of the applicant and of the members recommending him to each of the members of the Club, and to request them to vote on the ballot) "for" or "against" such applicant and send the same to the Secretary. Each member shall be entitled to a secret ballot.

ART. VI.
Election of
Members.

Five objecting votes shall reject.

After the expiration of thirty days to be allowed for the reception of ballots, in case five objecting votes shall not have been received, the Board of Directors, by its unanimous action, may notify the candidate of his election, and that he will be admitted to membership on signing the Constitution and paying the initiation fee. An applicant who has been rejected shall not be eligible to membership until after one year from the date of his rejection.

Each member shall pay an initiation fee of \$100. If he fails to do so within sixty days after the notification of his election, such failure may be regarded as a forfeiture of his election.

Initiation
Fee.

No officer or member of the Club shall be authorized to contract any debt in the name of the Club. All of its transactions shall be for cash.

ART. VII.

Should it occur at any time that any member of the Club shall be charged with wilful misrepresentation in regard to an animal bred or owned by him, or with any other act derogatory to the standing of the Club, the Board of Directors shall examine into the matter ; and if it shall find that such charge is

ART. VIII.

proven, the offending member shall be expelled, provided that two-thirds of the members of the Club vote in favor of such expulsion.

ART. IX

This Constitution may be altered or amended only with the written consent of three-fourths of the members of the Club, received within two months from the time of mailing the notices of such proposed amendment: Provided, the proposition so to alter and amend shall have been first made at an annual or special meeting, and there approved by a majority of the votes cast.

BY-LAWS.

ORDER OF BUSINESS.

- 1st. Calling the Roll.
 - 2d. Reading minutes of previous meeting.
 - 3d. Reports of officers.
 - 4th. Reports of committees.
 - 5th. New Business.
-

RULES OF ENTRY.

Cattle exported from the Island of Jersey, their descendants, and no other, may be entered in the Herd Register on proof either of their exportation from the Island of Jersey or of their purity of descent, to the satisfaction of the Board of Directors, and in conformity with the following rules:

1. No animal bred elsewhere than in the Island of Jersey shall be admitted to entry until every ancestor, back to exportation from the Island of Jersey, shall have been entered in the Herd Register.

2. Applications for entry of animals bred elsewhere than in the Island of Jersey must be made upon forms furnished by the Secretary, and must state (1) the sex of the animal; (2) the name; (3) the name and Herd Register number of the sire; (4) the name and Herd Register number of the dam; (5) distinguishing marks by which it may be identified; (6) the name and address of the breeder; (7) the date of dropping; (8) the name and address of the present or last owner; (9) the signature of the applicant, and also of the breeder when the applicant and the breeder are not the same person.

3. In the entry of animals exported from the Island of Jersey the names of the sire and dam and the names of the breeders are required, and the name and address of the importer and the date of importation must be given, also the name of vessel and port of arrival or entry.

4. (a) No animal exported from the Island of Jersey after March 1, 1881, may be admitted to entry without full compliance with the following requirements:

Application for its entry must be accompanied by a certificate from the authorized officer of the Island of Jersey Herd Book Society, testifying to the fact that it is recorded in the Herd Book of that Society, or that both its sire and its dam are so recorded; or, if the animal is not of Herd Book stock, the

same officer must certify that it has been awarded a prize at the Royal Jersey Exhibition (Island Show). This certificate must give the *class and* number of each entry.

(b) In order to secure the registry of a calf imported in its dam, which must be eligible to entry as above, the application must be accompanied by the certificate of the owner of the reputed sire, stating that on a day named this bull served the cow or heifer in which the animal offered for entry was imported; and the sire so named must be certified by the officer referred to in section *a* to be a Herd Book animal, or a Prize animal. If Herd Book, its class and number being given.

5. In order to prevent the possibility of the substitution of other animals for those to which the certificates refer, the authorized officer of the Jersey Herd Book Society shall number each set of certificates consecutively, and shall attach to each animal (by means of a wire cord around the base of the horns, or, in the case of a calf, by a wire cord around the neck, the ends being fixed by a lead seal) a prescribed metal label bearing the same number with the certificates relating to the said animal.

All documents constituting the certificate of each animal shall be attached together by a ribbon or cord, the ends of which shall be firmly secured by the seal of the United States Consul in Jersey, who shall certify to the correctness and genuineness of the signature to the different documents, and these must be sent to the Secretary.

After arrival in this country the label must remain attached to the animal until removed by the Secretary of the Club or his deputy.

If the label has not evidently remained intact—even if removed by accident—the animal cannot be entered.

6. Animals imported more than five years previously to date of application shall not be entitled to entry.

7. Animals cannot be entered under names already registered or “claimed,” unless they were recorded under such name in the Island of Jersey Herd Book before exportation, in which case its class and number J. H. B. shall be affixed to the name in the Register; neither will names of different spelling, but of the same pronunciation, be admitted—for instance, Nilsson being already in use, Nillson is excluded.

Breeders may have the privilege of claiming names in advance of use on sending them to the Secretary. The affix 1st, 2d, 3d, etc., can be applied only to calves of the animal bearing the name used, not to progeny of the second generation.

8. Among the distinguishing marks required in Rule 2, the color of the

animal should not be included in the case of calves before the June when they are six months or more old, *but it is imperative that all other marks be given.* All such indications as "solid color"—meaning thereby no white except the fillet around the muzzle—"black switch," "white star," "white saddle," "spot on left shoulder," "right hind foot white," etc., are important, and should be described with care. When not otherwise stated *it is assumed that the animal has a light-colored fillet surrounding the muzzle, that the tongue is not black, and that the switch of the tail is white.* When any of these are otherwise the fact should be stated.

9. In case of a change of ownership of an animal the buyer must obtain from the seller a certificate of transfer, a blank form for which will be provided by the Secretary. The transfer will be recorded by the Secretary on payment of twenty-five cents. In the event of the neglect or refusal of the seller to give a certificate of transfer, the record of transfer may be made by the Secretary upon written approval by a majority of the Board of Directors of the evidence of sale.

10. Should an animal be admitted to entry through error or false representation, or without having complied with all the rules of entry, the Board of Directors, on discovery of the same, shall declare the entry, together with any entries that may have been made of descendants of such animal, void.

In all cases of either entry or transfer the person applying for the recording of the same must pay the fees before the same can be considered. Entries not proving eligible, fees will be returned. When entries are made the bill of the Secretary giving the registry numbers of the animals will constitute a certificate of entry, but such certificate is not binding on the Club in case of error, nor is the Secretary permitted to give such registered numbers until all the rules of entry have been complied with.

AMENDING BY-LAWS.

These By-Laws may be altered or amended only by a vote of the Club at the annual meeting (provided that notice of the subject-matter of the proposed alteration or amendment shall have been mailed by the Secretary to all members at least twenty-five [25] days before such meeting); or at a special meeting called for that purpose, or by the Board of Directors with the written consent of two-thirds of all the members; the vote to be closed at the expiration of thirty days from the date of mailing the proposed amendments to its members.

* Deceased.

SCALE OF POINTS FOR COWS.

Adopted by the American Jersey Cattle Club, April 21, 1875.

Points.	Counts.
1. Head small, lean, and rather long,	2
2. Face dished, broad between the eyes and narrow between the horns,	1
3. Muzzle dark, and encircled by a light color,	1
4. Eyes full and placid,	1
5. Horns small, crumpled, and amber color,	3
6. Ears small and thin,	1
7. Neck straight, thin, rather long, with clean throat, and not heavy at the shoulders,	4
8. Shoulders sloping and lean; withers thin; breast neither deficient nor beefy,	3
9. Back level to the setting on of tail, and broad across the loin,	4
10. Barrel, hooped, broad and deep at the flank,	8
11. Hips wide apart, and fine in the bone; rump long and broad,	4
12. Thighs long, thin, and wide apart, with legs standing square, and not to cross in walking,	4
13. Legs short, small below the knees, with small hoofs,	3
14. Tail fine, reaching the hocks, with good switch,	3
15. Hide thin and mellow, with fine, soft hair,	4
16. Color of hide where the hair is white, on udder and inside of ears, yellow,	5
17. Fore udder full in form, and running well forward,	8
18. Hind udder full in form, and well up behind,	8
19. Udder free from long hair, and not fleshy,	5
20. Teats rather large, wide apart, and squarely placed,	6
21. Milk veins prominent,	5
22. Escutcheon high and broad, and full on thighs,	8
23. Disposition quiet and good-natured,	3
24. General appearance, rather bony than fleshy,	6
Perfection,	100

In judging heifers, omit Nos. 17, 18, and 21.

The same scale of points shall be used in judging bulls, omitting Nos. 17, 18, 19, and 21, and making moderate allowance for masculinity.

NOTE.—It is recommended that Judges at Fairs do not award prizes to animals falling below the following *minimum* standard, viz.: cows, 70 counts; heifers, 55 counts; bulls, 50 counts.

NOTES.

THE FORMS OF ENTRIES.—Male and female animals occupy separate sections of the Register. Each animal's history will be found on the line of its number and name, extending across two pages.

Under the head of "Color and Distinguishing Marks" it is assumed, *when not otherwise stated*, that the animal has a black muzzle, with a light fillet around it, a light or flesh-colored tongue, and a white switch.

The names of members of the Club are printed in small Roman type, and their addresses will be found in the list of members following the Constitution. The names of persons not members are printed in italics and their addresses added. In some instances, where persons have become members after they had already made entries, names will be found in italics which in later entries appear in Roman. In subsequent volumes of the Herd Register, beginning with Vol. IX., the addresses of members will also be given in the entries.

The breeder of a calf is the person who owned the dam at the time of impregnation, and not the one who happened to own her when the calf in question was dropped.

The letters F. S. or P. S. with a number, following the name of an imported animal, designate its *class* in the Island of Jersey Herd Book, whether *Foundation Stock*—admitted on its merits upon certain conditions—or *Pedigree Stock*, the progeny of Herd Book Sire and Dam.

The Secretary will record the deaths of animals reported by owners, and publish the list immediately following that of Transfers of Ownership, in the next volume, free of charge.

No. 3 JOHN STREET, Dec., 1881.

NOTE.

By order of the Board of Directors the following animals have been stricken from the Herd Register, their entries having been declared void, in accordance with section 10 of Rules of Entry.

Such of them as have been registered since the close of Vol. VIII. (ending with Bulls 5300 and Cows 11300) have been removed from the plates of Vol. IX., and other animals substituted, previous to publication of latter volume :

BULLS.

2369. GOLD PRINCE, JR.	4588. COLONEL MAHAN.	5390. PRINCE JOHN OF SPRING
2782. HOOVER.	4812. SILVER PRINCE.	BROOK FARM.

DEATHS.

Only six deaths have been officially reported by owners, in response to the invitation in NOTES (p. 19) of Vol. VIII. To these have been added some others known to the Secretary or found noted on the office records, where the date of death, when known, has been recorded. Whether the publication be continued or not, it is very desirable that deaths should be reported for office reference.
